Edmunds To Seek Supervisor Post At June Election

Cites Accomplishments As Long-Time Resident Of Truckee

Cecil Edmunds, a resident of Truckee for the past 44 years and an active participant in public affairs during that time, announced this week that he will be a candidate for Supervisor from the Fifth District.

Edmunds, a former owner and editor of the "Sierra Sun" then known as the "Truckee Republican", first came to Truckee in 1916 as manager of the Telephone Company for the Truckee-Tahoe area. In 1927 he helped to organize the Truckee Public Utility District and in 1928 became its manager, which position he held until 1958. In 1959 he was elected a director of the district.

He is a past president of the Truckee Chamber of Commerce and acted as manager of that body for several years during which time he also managed the Truckee winter sports activities for the chamber and has served on the board of directors and various committees of the chamber for over 40 years.

He is a past president and past secretary of the California Ski Association which he helped to organize; and a former director of the Sierra Dog Derby Association.

Edmunds is a charter member and past president of the Truckee Lions Club and some 25 years ago was secretary for several years of District 23 Sportsmens Association, the forerunner of the present Truckee Outdoor Sportsmen, of which he is also a member.

He served for 14 years as a member of the 17th District Agriculture Fair Board and is presently a member of the Nevada County Planning Commission and secretary of the Truckee-Tahoe Airport District. He has been a member on the Lahontan Water Pollution Control Board since its inception and is a member of the California-Nevada Interstate Compact Commission and served as a member on the Nevada County Water Resources Board.

In announcing his candidacy, Edmunds stated: "Because of my varied public activities over the years and my knowledge and understanding of many of the problems, present and future, facing the residents of this area; I feel qualified to offer my further services to the citizens of the Fifth Supervisoral District and if elected I will give full time attention to the duties of the office.

"I will endeavor to make our county government progressive, efficient, effective and responsive at all times to the popular will and will keep my constituents fully informed of my efforts in their behalf.

I believe our county government should work to promote the growth, welfare and well-being of all the county and this means that the board should know and understand the direction and kind of growth and the real values of our county."

CUB SCOUTS HONORED IN LOCAL PACK MEET

Troop 7, Cub Scouts, held their meeting Monday evening in the high school under the direction of William Davis and Robert Schooley when initiation and presentation of awards was held.

Steve Maynard and Stan Greene were given their one year pins, Barry Waters received the Denner's stripe, Kenny Bretthauer the assistant Denner's stripe. Bill Rose received one each of gold and silver arrow points, under the wolf, Mike Davis received one gold arrow point under the bear.

The troop was happy to welcome into the pack 3 new Cub Scouts, Ray Wiser, Bruce Leamon, Chris Wiser who reecived their Bob Cat pins.

Young Bretthauer and Greene won the neatness inspection.

A pot luck dinner has been planned for the April 25 meeting, with Mesdames John Goldsmith, Edward Frates, Jack Neugebauer, Ben King, Den Mothers as co-chairmen of the evening.

SPORTSMEN INVITED TO MEET APRIL 8TH

Sportsmen are again reminded by Charles Osburn, president of the Truckee Outdoor Sportsmen, to reserve the evening of Friday, April 8, for the meeting at Capitol Hall when a group of state fish and game officials will be here. A general discussion on plans of the department for the coming year will feature the session.

ROSE RESIGNS POST ON UTILITY BOARD

Dave Rose, a member of the board of directors of the Truckee Public Utility District, submitted his resignation and it was accepted by the board at Tuesday's meeting. Rose plans to spend most of his time at Arcata where he is operating a supermarket. No successor has been chosen for the vacancy on the local board.

Squaw Continues To Be Busy; Parks Will Start Charges

On three and a half consecutive weekends since Saturday, March 5, 1,700 automobiles and 207 chartered buses have brought an estimated 61,650 persons into Squaw Valley. This number included 4,150 skaters.

These figures were pointed out in an article in the San Francisco Examiner Monday by Jack Welter, staff writer, who made a weekend trip to the area to sum up the situation since the Olympic games last month.

Welter writes that although the games are history, crowds continue to arrive in numbers surprising even the most optimistic advocates of the state's investment which made the games an outstanding international success.

Sunday ,Welter said, provided a typical example of the public response. An estimated 7,800 people entered the valley in orderly procession. They came in 1,900 autos, and 27 chartered buses and by 10:30 a. m. 13 buses had discharged their riders, mostly young people armed with skis and skates.

Since the Olympics, parking and ice skating have been free, the article points out, but this will be changed April 1 when the state park operation will impose a $1 auto parking fee, with $5 for buses and ice skating charge will probably be $1 for adults, 75 cents for children 14 to 18 and 60 cents for those under 14.

Skate rentals will be 50 cents for white shoes and 35 cents for others and 25 cents for children under 14.

Beaches and parks, Welter said, has big plans for the valley under the superintendency of Theodore Wilson backed by the state.

LUNARDI TO OPPOSE STATE REDISTRICTING

Assemblyman Paul J. Lunardi, Nevada County's representative in the state legislature, today expressed his complete opposition to the proposal to reapportion the state senate of California.

This proposal is sponsored by southern California interests who are desirous of increasing their domination of the California legislature by southern California, to the detriment of northern California.

Such a proposal, if successful, would materially interfere with the time honored system of checks and balances provided by a bicameral legislature.

The threat to northern California's interests in state legislation is immediate and extreme if this proposal succeeds. Lunardi indicated that he had been informed a petition seeking to place this proposal on the ballot may be circulated in Nevada County. If so, he urges opposition to the proposal.

CENSUS TAKING WILL BE STARTED FRIDAY

The 1960 census of population and housing, the nation's 18th decennial nose count, gets underday on Friday morning, April 1, with 160,000 census takers starting their rounds which take them to every dwelling unit in the United States. In covering the 3½ million square miles of land area of the 50 states, the census takers will travel an estimated combined distance of more than 1,000 times around the world, or approximately 28 million miles.

District Supervisor Ford Marshall, pointed out that residents of this area can speed up the big count by having their advance report forms filled out and ready for the census takers. This action will save time for both the householder and the census taker, the census official said.

Taxes Due

The delinquent date for the full payment of Nevada County taxes for the period of June 1959 to June 1960 will be Monday, April 11, according to a reminder to property owners of this area from Miss Elma Hecker's office at Nevada City.

FINED IN COURT

Calvin Farley of Truckee was found guilty of driving a vehicle while intoxicated by a jury in the court of Judge F. W. Wilson here yesterday and was fined $263. He was arrested several weeks ago by the California Highway Patrol and entered a plea of not guilty and asked for a jury trial.

Trout Season On Donner Will Open Saturday Morning

Weather Permitting, Good Results Expected On Local Lake

The trout fishing season will open on Donner Lake Saturday and with weather cooperating results should be good.

A bit of confusion exists regarding limits on Donner during the season. From Saturday until April 29, the limit is five trout, but not more than 10 pounds and one trout. From April 30 until the close of the season on October 31, the limit is ten trout, but still not more than 10 pounds and one trout. Irrespective of weight, three trout may be taken during the open season.

No fish may be used for bait or possessed for use as bait in Donner, Fallen Leaf or Lake Tahoe except minnows and suckers which are taken direct from the lake where they are used or possessed for bait.

As usual, it is expected the lake will be well covered by boats, although shore fishing in the past has provided good results.

The regular season on other lakes and streams in this district opens April 30.

Four Major Events Slated On Summit

NORDEN — Four oustanding spring events are on the schedule for the Sugar Bowl during April.

There are 80 inches of snow on Mt. Lincoln and 75 inches at lodge level in the valley, assuring ideal skiing conditions for the month's program.

The Bill Freitas memorial giant slalom, approved but not sanctioned by the FWSA, will be staged Saturday with 150 contestants expected to enter. Ski School Director Junior Bounous will set the 35-gate course on Mt. Disney.

The Easter fun at the Sugar Bowl will start Sunday, April 10 with an eagle test on that day.

On April 16 the Sugar Bowl junior championships, open for boys and girls, in classes I, II and III, sanctioned by the FWSA and sponsored by the Sugar Bowl Ski Club, will be held. On April 17 the annual Walt Disney perpetual trophy race, open to juniors in classes IV and V, will be staged.

The 18th running of the annual Silver Belt trophy race will be held April 24 and this promises to be one of the biggest races of the year.

BENEFIT BUFFET FOR CHURCH IS PLANNED

TAHOE CITY—A buffet supper for the benefit of St. Nicholas Mission of Tahoe City will be held Friday, April 1 in the Crystal Bay Club at Crystal Bay, Nevada, accordnig to an announcement by Mrs. Leonard Bury of Tahoe City and chairman for the affair.

Serving of supper will continue from 8 until 10 o'clock and children accompanied by their parents are welcome. A nominal sum of $1.50 for adults and 75 cents a plate for children will be made. A pleasant evening is promised and the sponsoring group is looking forward to a large attendance.

MANY APPLICATIONS FOR CAP RECEIVED

At the regular meeting of the Truckee Air Squadron, Civil Air Patrol Monday evening at the Veterans' Memorial Building, sufficient applications for membership were received to justify making application for a local charter.

Everyone interested in the formation of the local squadron is urged to attend one of the weekly meetings, held each Monday evening, and learn what the CAP stands for and how it is conducted.

Meetings are held from 7 to 9 p. m. and Jack Houlgate is in charge.

Family Travels—

Mr. and Mrs. M. E. Brown accompanied by their son, her mother and his sister went to Phoenix, Arizona where they visited their son-in-law and daughter, Mr. and Mrs. Robert Silva. The family group continued their trip into the Redwoods country before returning home.

Hugh Brown Dies Following Illness At Grass Valley

Hugh D. Brown, 61, prominent resident of Grass Valley and well known here where he had a large number of clients in his auditing business, expired this morning at his home following a heart attack. Details were not immediately available.

Besides his wife, who shared in the business, Brown is survived by a daughter, Mrs. Patricia Day, nurse in the office of Dr. Robert Affeldt of Truckee.

Funeral Services were tentatively set for Saturday at the Emmanual Episcopal Church in Grass Valley. The Hooper-Weaver Mortuary is in charge of the arrangements.

Sportsmen Urge River Protection

The Truckee Outdoor Sportsmen have adopted a resolution calling upon the California-Nevada Interstate Compact Commission to fully and adequately protect the interests of California in negotiating terms of a water compact between the two states.

The resolution is similar in text to those adopted by the Nevada County Board of Supervisors, the Truckee Donner Chamber of Commerce and the Truckee Public Utility District.

It calls upon the commission to keep the waters of the Truckee river system maintained at drinking water standards at all times; to provide for a well regulated, adequate supply of water for maintenance and development of fish and wildlife resources throughout the system, and to maintain a minimum flow of 75 csf out of Lake Tahoe to preserve and maintain fishing conditions.

The resolution asks that no new dams be authorized or changes made in construction or operation of present or proposed dams that does not provide for the fullest utilization of the water so stored.

NLRB RULES AGAINST CUSHING IN DISPUTE

An examiner for the National Labor Relaitons Board has ruled that Alexander Cushing of Squaw Valley Lodge fired four employes for union activities and recommended that they be reinstated with pay losses restored.

The four employes John Richard Gilbert, ski lift maintenance; Lilburn Jones, ski patrolman and lift maintenance; Dale B. and Fred Arden Gillaspie, brothers and rope tow operators, were discharged last June 27.

The examiner, William E. Spencer of San Francisco division of NLRB, in finding released during the weekend stated:

"On the basis of the entire testimony, I am convinced that Cushing left no doubts in the minds of employes he talked to that he strongly opposed their representation by this particular union." The union referred to was the Operating Engineers, AFL-CIO.

NEW CHARTER FOR LODGE IS RECEIVED

The new charter of I. O. O. F. Lodge No. 162 of Truckee was received March 22 by William Davis, noble grand, with Don Smith, past grand master of California, Ted Ede, grand warden of Nevada and Harry Sigmon, past grand master of Nevada taking part in the presentation.

Members of Naomi Rebekah Lodge No. 2 served refreshments following the ceremony.

The two local organiaztions will combine for an April Fool social in the lodge hall, at 8 o'clock Friday evening, April 1. All members are urged to attend and take a guest.

FORMER KINGS BEACH YOUTH IS HONORED

Mr. and Mrs. Edward L. Moore of Grass Valley formerly of Kings Beach, Lake Tahoe, have received word that their son, John Edward Moore, has been awarded a grant of $4,400 to do research at the Brookings Institute in Washington, D. C.

John, who is a graduate of Truckee High School and Reed College in Portland, Oregon (Phi Beta Kappa and a Rhodes Scholar) is currently working toward his Ph.D. at Princeton University.

Weather Delays Start Of Work On Prosser Dam Job

Contract For Clearing Will Be Awarded April 14 At Carson

Construction on the Prosser Creek dam project, four miles northeast of here is expected to start just as soon as weather permits.

A contract for the earthfill dam was let last fall to R. A. Heintz Construction Company of Portland for $2,181,000.

Vernon A. Hansen, project manager for the bureau of reclamation, sad bids would be opened April 14 at Carson City for clearing the reservoir site.

The dam will be 139 feet high, 1840 feet long and will contain 1,700,000 cubic yards of earthfill and 8.152 cubic yards of concrete. When completed the dam will impound 30,000 acre feet of water with the area of the reservoir ranging from 87 to 970 acres.

The dam will not only provide flood control for Reno but will improve fishing conditions in the region. The project is the first unit in the $52,000,000 Washoe project authorized by congress in 1955.

The project, Hansen said, will be far enough along by a year from next fall to start storing water. Completion date has been set for the fall of 1962.

WOLVERINES LOSE IN PRACTICE GAME

In their first practice game of the season last Saturday, the Tahoe Truckee Wolverine baseball team went down to defeat at Carson City by the tune of 16 to 1, the Senators holding the Tahoe Truckee boys scoreless to the final frame.

The locals started off by having the bases loaded in the first inning, but failed to get a run across until Buck Cadjew doubled in the 9th to drive in Mike Robinson who had walked.

In the second stanza, the locals went down one, two three and Carson City added three runs in their half of the second, two more in the third.

The seventh was the fatal inning for the locals as they allowed eight runs to cross the plate to give the home towners a 16 to 1 victory. Sam Medford was the losing pitcher.

The TnT boys were handicapped by not having previous practice but expect to get into the swing of things before the season starts.

DEPUTY MATRON TO BE HONORED BY STAR

Truckee Chapter, No. 116, Order of the Eastern Star will honor Irene Herrold of Alta, deputy grand matron of the 13th district when she will make her official visit Tuesday evening, April 5.

Margaret Craig, worthy matron and Sam Faulkner, worthy patron will preside at the meeting which will convene at 8 o'clock. Visitors from the district and other parts of California are expected, to be welcomed by Mr. and Mrs. Wayne Philippi, host and hostess of the event.

Margaret Christiansen, assisted by Gladys Thorwallson and a committee will serve refreshments at the conclusion of the ritual.

LOCAL LINEMAN HURT IN ELECTRIC MISHAP

James (Whitey) Anderson, a lineman employed by the Truckee Public Utility District, had a narrow brush with serious injury or death Thursday when he was severely burned by an electric shock.

Anderson was working with a crew in the alley back of the main business section, changing the lines when the high-voltage line arced and three shocks hit the victim in the back. He was taken to the Tahoe Forest Hospital for treatment of second degree burns, which proved not serious.

VISITOR DIES

Evelyn Ebel, 45, a resident of Oakland, who was spending the weekend with her husband, Jack, at Crystal Bay, expired here Sunday. She had been ill for some time. Mrs. Ebel was a native of Texas, born April 9, 1914. The body was shipped to Oakland for burial by the Truckee Colonial Mortuary.

Six Are Injured In Vehicle Accidents During Weekend

Six people were hospitalized wtih injuries resulting from two car crashes in this area during the past weekend.

A. A. Geranmayech of San Francisco and Lavonne Manke of Sparks, Nev., were hurt Friday at 9:15 p. m. when cars driven by Amir Shahior of San Pablo and William Manke of Sparks collided headon just east of the Donner Summit maintenance station.

Shahior was cited for being on the wrong side of the highway.

Four were injured Saturday at 4:20 p. m. 12 miles south of Truckee on Highway 89 when cars driven by Ella McLaughlin of San Anselmo and Patrick F. O'Neill of San Carlos collided. Mrs. McLaughlin was cited for making an illegal turn.

Injured and taken to the hospital were Mr. and Mrs. O'Neill and Mr. and Mrs. Greenlief Haskell, both of San Francisco.

Precipitation Less Than For Last Year

Although the year of 1959 was considered a dry one there was more precipitation registered, as of Tuesday, March 29 than in the current season, to date. The total of the season to this time was 18.02 ,with 19.34 totaled in 1959, according to Henry Toccalini of the Tahoe Forest Service at Truckee.

The snow and rain storm of last weekend left 1.13 moisture to alleviate the potential fire hazard, with 5½ inches of snow on the ground.

Total precipitation for March was 3.24, normal for the month is 4.30. A chilly low temperature was noted Tuesday morning at 18 degrees, preceded Friday by the week's high of 66 degrees.

PEARL MARTIN HEADS LAKE VFW AUXILIARY

CRYSTAL BAY—Election of officers for 1960 for the V. F. W. Auxiliary No. 7077, Lake Tahoe was held on March 24 at the Crystal Bay Club.

President Sophie Levra will preside at the next meeting on Wednesday, April 13, at which time Alvina Willslef, District No. 3 president will make her official visit and inspection of the outgoing officers. The installation of the newly elected officers will also be made at this meeting.

Those elected for the V. F. W. Auxiliary for 1960 are: President, Pearl Martin; Senior Vice President, Dorothy King. Junior Vice President, Pearl Francis; Chaplain, Louise Walters; Conductress, Ethel Antonson; Guard, Estelle Seaquist; Treasurer, Bernita Jones; 3 Year Trustee, Mae Murray; Secretary, Pearl Moore.

Ritual Team: Vera Woods, B. Snell, Minnie Wagner, Beverly Newell, Lolita Decker, Jean Cinani.

LAST RITES ARE HELD FOR ANDY JOHNSON

KINGS BEACH—Graveside services were held at the Colfax District Cemetery last Thursday morning with Rev. Paul Mekkelson, pastor of the Colfax Community Methodist Church officiating for Andrew Blaine Johnson, 71, who was found dead at his home in Kings Beach March 21, following a short illness.

Johnson, a native of Chicago, Illinois, was employed as a bookkeeper prior to his retirement, and had made his home at Kings Beach for the past 27 years.

He is survived by a brother, Frank A. Johnson, of Sacramento.

Johnson's grandfather was one of the pallbearers at President Abraham Lincoln's funeral.

STUDENTS TO SPEAK ON DEATH PENALTY

The pros and cons of the death penalty will be the topic of discussion of the student panel of Eugene Goodrich's senior problems classes on April 14, the next meeting of the High School PTA. Lydia Craig, Doug Ball, Judy Beck, Mitchell Terkildsen, Judy Fanger and Linda Morrell will be the speakers.

The meeting begins at 8 p. m. and officers for the next year will be elected. Refreshmnets will be served.

District Attorney Continues Probe In Fatal Accident

Charges Are Dropped As Evidence Lacking In Local Hearing

Although charge of involuntary manslaughter against Frank Wayne King, 32, former resident of Truckee, now living at Oakland, were dismissed by Judge Fosten W. Wilson following a preliminary hearing Thursday, District Attorney Harold Berliner said he may refile the charge.

Witnesses were unable to place the defendant behind the wheel of a car involved in a fatal accident at Donner Lake November 25, 1959 and the court faced no alternative but to dismiss the charge, court attaches declared.

Berliner said that if he can produce the witnesses to prove King was actually driving the car at the time of the accident, he would file new charges.

Miss Darrelene Ward, 28. Twin Falls, Idaho, was killed in the crash. She was an occupant in a car driven by her fiance, Frederick C. Bayerle, 26, San Francisco, and was en route to Reno to be married at the time.

Steps Are Taken To Increase Power

One more step was taken by the the Truckee Public Utility District during the past week in its effort to obtain a cheaper source of power, when Cone Hunter, manager of the Plumas-Sierra Electric Cooperative with headquarters in Portola, in his testimony before a house subcommittee hearing in Sacramento last Friday asked for an additional allotment of Central Valley power to serve the utility district and City of Portola.

Congressman John E. Moss of Sacramento County, chairman of the subcommittee, stated there was a surplus of firm power available from Shasta dam that should be made available to preferencial customers, such as cooperative, the utility district and others. He was backed by a statement to the committee from Senator Clair Engle.

Congressman Harold Johnson and Assemblyman Paul Lunardi joined in insisting that the bureau of reclamation make more power available to those entitled to it under law.

The meeting was attended by Chairman Ben King and Director C. Edmunds of the TPUD.

Discussions relative to the possibility of getting Central Valley power delivered to the Truckee Public Utility District over lines of the cooperative have been underway for some time. Studies indicate that if the district is to maintain adequate service to its customers and provide for anticipated growth, it must obtain its power supply at a higher voltage.

Edmunds said that negotiations with Sierra Pacific Power Company over the past year, for service at a higher voltage has resulted in a deadlock over the insistence of the company that such delivery would be made only subject to restriction of the service area within the district's boundaries. To this the district has refused to agree and the matter is being referred to the Public Utilities Commission, Edmunds said.

LUDE ATTENDS MEET OF PHYSICS LEADERS

Saturday, C. Lude, physics and math teacher at the high school, attended the American Association of physics teacher's spring meeting at California Polytechnic Institute.

The purpose of this meeting was to provide an in-service workshop of interesting demonstrations and invited papers for secondary and college physics teachers. Highlights of the session included a tour of the physics and engineering facilities at Cal Poly and a presentation on the proposed Ernest O. Lawrence Hall of Science by Dr. Harvey White of the University of California.

This unique living memorial will include classroom instruction in science for elementary and high school students. The session ended with a short business meeting.

CAMPBELL OBSERVES 42 YEARS WITH S. P.

A. L. Campbell of Sacramento observed 42 years with the Southern Pacific Company recently, rising from section laborer to roadmaster in that time, with a high safety record.

In January 1952 he assisted in the rescue of 226 passengers and crew members on the streamliner, City of San Francisco, stalled on Donner due to heavy snow.

TOOLS STOLEN

The Truckee Tahoe Lumber Company reported the theft of $28 worth of carpenter tools from a warehouse last week. Deputy Sheriff Emery Lander was called to investigate.

West Shore Notes

By NINA SLADE
LAmbert 5-7751
P. O. Tahoma, Lake Tahoe

The flush of spring weather brought many to the Lake to enjoy it. Fannie and Bill Haste drove up from Gardena. Bill Poulter of Sacramento stopped by to report that Gretta is coming along after hospitalization and surgery. Louis Celia brought his daughter Mrs. Vera Spain and his two grandsons for a frolic in the remaining snow and to explore Squaw Valley. Cal Wilkinson, who operates the Meeks Bay Theater in summer, checked in and told of a wonderful winter in Phoenix. He's currently relieving Judge Rudy Buchanan of Stateline Theater who is vacationing in Hong Kong.

* * *

Sisters Mae Steele, Mildred Bussard and C. W. Emigh drove up on Sunday from Sacramento and picnicked on the driveway of their Tahoma lake house, since snow is still too deep to walk in.

* * *

The Woman's Club of Tahoe City will have a business meeting, April 7 ,at Squaw Valley Inn, 12:30 luncheon. It is requested that all planning to attend phone their reservations to Mrs. Phil Geier, JU 3-3106, or Mrs. Snyder, JU 3-3526. The club's last meeting with the Wyethia Club proved most interesting. Mrs. Ivy Lober, chairman of a bay area chapter, spoke on historical landmarks.

* * *

Mrs. Richard Walker, who handled Olympic protocol last February came up for a week at their Sugar Bowl house and entertained the Alex Cushings. The Cushings brought their house guests, Richard Benson of Philadelphia, and his daughter Pepi, a Stanford student, the George McFaddens of New York, and Minnie Cushing, Alex Cushing's niece, daughter of the Howard Cushings of Newport.

* * *

Thousands of skiers enjoyed the perfect spring skiing weather and crowds at ski rseorts on Highways 40 and 50 were a great as during the Olympics.

* * *

Boat owners should remember that effective April 1, 1960, boats of more than 10 horsepower operated on the navigable waters of the United States MUST be numbered under the Federal Boating Act of 1958. Applicants for federal certificates of number may obtain application forms at local post offices. The completed application and a $3 fee must be filed with the post office. At that time a blue $3 federal boating stamp will be affixed to the application and a temporary certificate will be returned to the applicant. This certificate will serve as proof of compliance with the law until such time as the application has been processed by the Coast Guard.

* * *

Despite the six inch snow at Tahoma we were happy to see our favorite robins, who returned last week, jaunty, chipper and determined to stay.

* * *

St. Nicholas Guild invites everyone to join them at a buffet dinner at the Crystal Bay Club, Friday, April 1, from 8 to 10 p. m. Tickets $1.50.

* * *

The Al Gussicks of Rubicon spent two weeks at Palm Springs as guests of the Irving Williams. Velma said they enjoyed every minute and a trip to Disneyland, but it was great to be back home at Tahoe.

* * *

We thought all the squabbles at Squaw were laid low until that move to change its name arose. Glad the legislature killed the motion. It would be folly to change the name after the worldwide publicity received as a result of the Olympic Games. Squaw Valley it has been down through the years and Squaw Valley it should remain.

* * *

Mr and Mrs. Chris Burmer of Tahoe City are managing the Lakehouse Motel. Chris says the Jesus

* * *

Jackie Jensen and his wife Zoe Ann vacationed in Scottsdale, Arizona recently and have returned to Crystal Bay. Jackie watched the Boston Red Sox practice but declined to join them for a workout.

* * *

Lake Tahoe Sierra Emblem Club No. 347 will hold a business meeting on Thursday, April .7 ,at 8 p. m., at the Tahoe City Community Center.

Christ Church of Latter Day Saints is looking for a site on which to build a church at the lake.

* * *

Boy Scout Troop 27 has resumed meetings on Tuesdays at the Community Center, Tahoe City.

* * *

Jacie Campbell of Tahoma spent this week in training at Colfax to take the census in the area from Meeks Bay to Chambers Lodge.

* * *

Mrs. Doreen Fanger spent a few days with daughter Sheila in Sacramento.

* * *

The Hugh Jones family welcomed young Scotty Jones, born February 19, to join young sister Karen. We had the pleasure of meeting Scotty when he came home from the hospital with his parents, although only five days old, he had a lovely crop of auburn hair just long enough to look like a crew cut. Grandparents Claude Cowan and family were pleased as punch.

NOTICE OF APPLICATION FOR INCREASED WATER RATES

Notice is hereby given to customers of Donner Lake Utility Company of an application before the California Public Utilities Commission for an increase in water service charges. Tabulated herein are the principal seasonal tariffs presently in effect as compared to the requested rates.

Item	Per Service Connection Present	Proposed April 1 to Nov. 30 Annual
General Metered Service Minimum Charge	$24.00	$72.00
General Flat Rate Service For each single family residence including premises	24.00	72.00

A copy of this application is available for inspection at the utility's office on U. S. Highway 40 at the northwest end of Donner Lake, Nevada County California, and at the Commission's San Francisco and Los Angeles offices.

Section 454 of the California Public Utilities Code provides that no public utility shall raise any rate or so alter any classification, contract, practice or rule as to result in any increase in any rate except upon a showing before the Commission and a finding by the Commission that such increase is justified. Since the Commission has the authority to grant all, part or none of the applicant's request based upon its findings and conclusions, customers may wish to call to the Commission's attention any problems covering water service, billing procedures or other factors pertaining to a reasonable service for the charges.

In order to protect the public's interest in Application No. 41957, the Commission's staff will make a thorough investigation of these matters. Cutsomers wishing to communicate with the Commission should write to the California Public Utilities Commission, State Building, San Francisco 2, California, referring to File No. A 41957.

NORTH TAHOE

By JUDGE HARRY CHARRISON

SPRING UNSPRUNG

We awoke this Monday morning to find several inches of wet snow. Now once again is winter.

COMING HOME

It's really surprising to find a large number of our friends and neighbors are opening up their homes and motels.

ROADS

At last Brassie Avenue sees prospect of repair. A few holes were filled. As we looked out of our window, the cars looked like boats plowing through a rough sea. But for that we are thankful as we have suffered with the so badly conditioned road, that it even hurt my corns driving over it.

RECOVERY

Just visited Mrs. Malla who had been quite ill for some time. I was amazed at her remarkable recovery. Congratulations, Grandma, keep up the old spirit.

TO S. F.

Captain and Mrs. C. A. Crowe, who were at Squaw Valley during the Olympics reutrned home. The captain was the army's accountable property officer.

ROADS AGAIN

There are still too many Placer County roads badly in need of repair and completion. Many of our local populace are complaining of the fact that they, property owners and taxpayers, and living on county roads do not have access to their homes.

TRAVELERS

Mr. and Mrs. Carl and Bonnie Long have just returned from a trip through Texas and other southern states. Their 6,000 mile trip enabled them to visit not only their sons, but other realtives as well. The Long's have sold part of their property (the Brockway Vista Motel) to Mr. and Mrs. Barber. You will know them as Jack and Ruthie. The Long's recently purchased a lovely home on Cutthroat just off Deer Street. They anticipate moving in Tuesday. The Barbers then will occupy their new residence.

FORMER RESIDENT

Mrs. Marion E. Rondelli, known to many in this area and recently of Grass Valley passed away on March 21. She was the wife of John Rondelli and the mother of two daughters, Pat and Judith.

COLONY

They tell me there's quite a colony of Tahoeites in Hawaii.

OLD FRIENDS

Had a surprise card from John and Ruby O'Connor, former neighbors now staying at Waikiki, Hawaii. John has recovered from his illness, we are glad to report.

IN HOSPITAL

Mrs. Tom Sheehan is reportedly recovering at Reno's St. Marys Hospital, room 410. We are all wishing her speedy recovery. 'Tom' as you well know is the leading knight of the B. P. O. E.

HI- FOLKS

How did you like my last weeks column? Good huh? Well, I didn't write it—my new son-in-law, Wes Burtow wrote it while I was taking a nap.

MORE VISITORS

Had the pleasure of meeting Police Chief James W. Lyall of Belmont, California. He was with a large number of Shriners, they were welcomed by the head of the El Tahoe Shrine Club, John Rayburn. Nearly 200 attended over the weekend.

MORE WORLD TRAVELERS

Earl and Carrie Gray, well known real estate brokers, have left for a six weeks tour of the South Pacific including—New Zealand, Australia, Figi Islands, Samoa and Hawaiian Islands. How lucky they are.

ROTARIANS

After seven years, once again, a pre-meet was held at the spacious home of the Dick Laverys. Those attending were Rotarians, some of whom were supervisors, Frank Paoli from Auburn, Harry Rosenberg, Herb Clegg, Don Beck and David Mays. Altogether it was a wonderful meeting both at Dick and Ruth Laverys. Many thanks to them, it was wonderful.

Tahoe Items

Mr. and Mrs. C. W. Vernon of Tahoe City returned last week from a two weeks trip in Death Valley, Phoenix, Arizona and Utah where they visited monuments in the areas and other interesting side trips.

Mrs. Thomas Sheehan of Tahoe City has returned home from Reno where she underwent surgery for an injured elbow, the condition is improved.

NOTICE OF SALE OF AUTOMOBILE BY LIEN CLAIMANT

NOTICE IS HEREBY GIVEN that pursuant to Section 427 and 428 of the Vehicle Code of California, the undersigned Glenn Coffey, will sell at public auction at Coffey's Garage, City of Truckee, California, at 1:30 o'clock, P. M., on the 13th day of April, 1960, the following described property to wit: 1952 Chevrolet 6, 4-door Sedan, License number EFZ 067, Motor number KAA-32054, Legal owner Sabino C. Salgado, Address Star Rt., 1, Box 15, Capay, California, Registered owner Same, Address Same.

Said sale to satisfy a lien claimed by the undersigned for Parts & Labor in the amount of $285.00 together with the costs of advertising and expense of sale.

Dated March 31, 1960.

SCHOOL NEWS

KINGS BEACH SCHOOL

FIRST GRADE: We have been sutdying about the post office. We wrote a letter and took it to the post office to mail. We saw the cancelling machine and cancelled our own stamp. Mrs. Howard told us about the mail.

SECOND GRADE: Mrs. Wing returned to her teaching after a three week's absence, due to a back injury.

Barry Fisher is the new boy in our room. Now there are thirty-four in our class.

Andy Timberlake and Maurie Manning celebrated their birthdays Wednesday.

THIRD GRADE: We are working on a unit on Canada with maps, stories ,pictures and newspaper articles.

We had twenty perfect spellers this week. Those who showed great improvement this week in spelling were: Ardeth Hampton and Karen Mally.

SEVENTH GRADE: Our study of Modern Europe is being done by committees. British Isles committee is under the direction of Richard Jacobson. France and the Lowlands committee is led by Art Waddell. Germany and Scandinavia committee has Estelle Hower as leader. Eastern European lands committee follows the leadership of Donnie Decker. U. S. S. R. committee has Kent Fugazi as chairman, and the Mediterranean lands committee have Bob Wells for chairman.

DONNER TRAIL SCHOOL

PRIMARY GRADES: With the coimng of the first day of spring the students of the primary grades in the Donner Trail School this week began a search for signs of spring which still seem to be covered with snow.

Steven Del Carlo found some flowers blooming near a friend's home in Grass Valley which he brought to school, and we made some of our own.

UPPER GRADES: The upper grades have been doing very well in their arithmetic this year. We have just completed our mid-term tests.

The fourth grade has learned their multiplication tables, and are doing very well on their division.

TAHOE LAKE SCHOOL

KINDERGARTEN: The following paintings decorated our bulletin board the past week: A Spring Tree by Charlene Keehn, The Ladder by John Attardi, Umbrellas by Beverly Freeland, The Sun and The Blue Sky by Joella Moe.

FIRST GRADE: Top scorers this week on Arithmetic tests were David Thomson, Bob Zehm, Yvonne Baker, Jennine Michener and Bonnie Nyberg with three stars each. Those making two stars were Paul Corona, Tom Coster, Lanny Karcher, Carl Ruhkala, Sherry Freeland, Jackie Ghormley, Paula Henrikson and Marlene Lisle. The students making one star out of the possible three were Steven Cross, Stephen Kilbourn, Bill Moyer, Deborah Fitts, Julie Howard, Michelle Legras and Catherine Van Wetter.

SECOND GRADE: The class is busy working on their combinations. Also they are doing two place addition and subtraction.

Most of the class received one hundred per cent in this weeks trial spelling test.

President for the week is Chuck Bacon and Secretary is Mimi Kimball.

SECOND AND THIRD GRADE: Every second grader but two received one hundred per cent in spelling.

This week we have been making tulips from egg cartons. Mr. Reynolds was our teacher this Wednesday so that our teacher, Mrs. Price could observe other classes.

Two birthday's have been celebrated this week, Shirley Stark was nine and Linda Walker turned eight.

Gregory Hill is going to San Andres this weekend.

In a neck to neck race to see which table would work the best during the week, we had a photo finish climax when table three, consisting of Deborah Lawlor, Peter Sutton and Denise Kimball, beat by a slim margin table five, consisting of Billy Dutton and Brent Bradley. Table five is loaded for bear and expects to win next week.

THIRD GRADE: Twenty-one boys and girls received 100 on this week's spelling test.

Our newly elected officers for next week are: Camille Shirley, president; Sands Hall, vice-president and Michael Allgaier, secretary.

FOURTH GRADE: We are happy to welcome Shirley Goughnour and Barbara Hannagan into our class.

The following children received A's in the weekly social studies test: Breezie Cross, Tommy Easterly, Erik Henrikson, Tommy Hoff, Jackie Jones, Ernie Marier, Edward Scott, Danny Nored, Steven Shaw, Vicki Broomhall, Tabor Griswold, Janet Jorgensen, Barbara Nielsen, Toni Rates and Ann Starratt.

FIFTH GRADE: A mural depicting important events at the beginning of the Westward Movement is being completed this week. Drawings and stories start with the breaking of the Wilderness Trail and the exploration of the Louisiana Territory and finished on the outlet of the Columbia River.

SIXTH GRADE: The class was made smaller this week when ten of our class stars transfered to the seventh grade room. This cut the size of our class to thirty-seven, which is plenty.

Next Tuesday, we play the sixth grade at Kings Beach so we're sharpening up every chance we get.

New girl in the room this week, Ann Sherry, a real cutie who came in second best in the social studies test. Welcome, Ann.

SEVENTH GRADE: The first edition of the classes school newspaper was received very enthusiastically by the entire school and most of the community. The editors, reporters, joke editors, illustrators and everyone in the class did a fine job. Watch for the next edition at your local Tahoe City store.

The class recently received a notable increase in students. Janet Stromgren, a new girl previously from Los Gatos. Ten sixth graders including: Julianne Bechdolt, Cathy Conners, Allie Cushing, Karen McBride, Becky Gorgas, Judy Ingram, Kristin Miexner, Michaeline Rates, Gwen Philips and Kathy Wilson.

EIGHTH GRADE: The eighth grade class have been registering and maknig our programs for high school.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works, Building, Sacramento, California, until 2 o'clock p. m. on April 20, 1960, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between Route 38 and 1.9 miles north of Hobart Mills (III-Nev-83-A), about 6.6 miles of 2-lane highway to be constructed by grading and paving with asphalt concrete on Class 2 aggregate base and constructing a reinforced concrete bridge, and portions of the existing highway to be surfaced with asphalt concrete and seal coat applied to portions.

Bids are required for the entire work described herein.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

(1) or due as shift differential pay
(2) travel time is considered as time worked

Abbreviation used above in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	psth	per straight time hour
phw	per hour worked	psthw	per straight time hour worked
php	per hour paid	psthp	per straight time hour paid
pdw/p	per day worked or paid	psthw/p	per straight time hour worked or paid
pd	per day	w	wage
pdw	per day worked	gw	gross wage
pdp	per day paid	tw	total wage
pdw/p	per day worked or paid	pmd	per man day

Any classification omitted herein not less than $2.865 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Employer payments other than those itemized above, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed and also prequalified as required by law.

The Department of Public Works reserves the right to reject any or all bids.

DEPARTMENT OF PUBLIC WORKS,
DIVISION OF HIGHWAYS
J. C. WOMACK.

School News

(Continued From Page 4)

our woodwork projects this week. The boys are making orange crate chairs and the girls are making bottle cap foot scrapers.

Susan Nelson celebrated her sixth birthday this week.

FIRST GRADE: These children had one hundred per cent on this week's spelling test: Billy Fordham, Gary Stone, Donna Horman, Peggy White, Janet Corro, Catherine Craig, Kenneth Grady, Patsy Goldsmith, Joan Apple, Nola Houlgate, Anne Hackett, Steven Mitchell, Nancy Rablin and Maria Acosta.

Nola Houlgate brought in the book, "Hans Andersen's Fairy Tales."

Anne Hackett visited her grandfather in Berkeley this week.

SECOND AND THIRD GRADE: Best spellers this week are Phyllis Brown, Claudia Rhoades, Sandy Davis, Sandy Ferdinand, Fred Stewart, Deborah Harris, Debby Jo Wurst, Dottie Kirk, Diane Rose, Larry Doyle, Carl Mahon, Barbara Randol, Ben King, Sharon Conine, Mark Manley and Jim White.

The contest in arithmetic was completed this week. Under process of elimination the standings are: Claudia Rhoades, first; Sandy Ferdinand, second; Dennie Weiler, third; Diane Rose, fourth; Larry Doyle, fifth; Debby Jo Wurst, sixth; Ben King, seventh; Donna Comola, eighth; and Debbie Harris, ninth.

The contest was so much fun and the children did so well the room mother, Mrs. Bill Davis surprised the class with an ice cream treat. Mike and Sandy were host and hostess. An impromptu program was arranged. Sandy Davis and Sandy Ferdinand sang and danced the Tennessee Wig Walk. Debby Jo Wurst sang and danced the Eskimo Child. Larry Doyle sang the Marine Hymn and everyone sang All Night and All Day.

Augie Acosta, Chris Wiser, Kathryn Barrett and Fred Stewart had birthdays this week. Our class planned and presented a "Talent program" in the music room Friday afternoon. George Franceschini was an excellent announcer. The program included Michelle DeLisle, Jonathan McLane, Maryann Atkinson, Anna Marie Collier, Elizabeth Richards and Bruce Leamon.

Special social studies reports have been made by Bruce Leamon, Joe Merica, Curt Mullis, Monte Neugebauer, Steve Silverii, Kenneth Weiler, Curtis Melugin, Anna Maria Collier, Michelle DeLisle, Terry Higgins, Tamara Richards and Maryann Atkinson.

FOURTH AND FIFTH GRADE: Gail Englehart, Beverly Holleman, Cam Houlgate, Sharon Petersen, Dennis Richards, Billy Sassarini, Len Vind, Pam Horman, Judy Ingalls, Tommy Romo, Keith Saunders, Nancy Randol and Sheila Rosamond earned one hundred per cent.

FIFTH GRADE: Some of the students who show much promise as tumblers are: Gary Waters, Jack Melugin, Don Whiteneck, Ronny Walker and Ken Hensley. In the femme section the Tapia twins, Lonnie and Patsy along with Darlyn Doolittle, Shirley Conston and "Swede" Olson are showing the way.

SEVENTH GRADE: In our class meeting this morning we held an election. The following were elected: president. Eddie King, secretary, David Sorani; treasurer, Judy McGwinn; sergeant-at-arms, Denny Stumbaugh and Kenny Taylor.

Queen elected at the St. Patrick's dance last week was Candy Board. The seventh grade is going to start a ball team to play the other grades.

Editors of the week are Marcia Leamon. Judy McGwinn, Pat Shane, Mike Sauby, David Sorani, Eddie King.

EIGHTH GRADE: The 7th and 8th grade of Mr. Johansen's are making a baseball team to play against Mr. Licklider's 8th grade.

Editors of the week: Leilani Braasch, Bonnie Fair, Susanne Sciutto, Richard Sorani, Steve Besio, Karey Kielhofer.

Donner Doings

By VIRGINIA O'BEAR

Mary Ellen Maxey was called out of town last week because of her sister being seriously ill in Chicago. She will remain there until her sister has improved.

* * *

Mr. and Mrs. Tom Bonano and son Mike spent a few days in Oakland last week on a combined business and pleasure trip. Tom's relatives live there and they are always glad to see little "Mike."

* * *

Mr. and Mrs. Art Mori have moved to San Diego and their many friends wish them well in their new surroundings but everyone will miss them at Donner Lake.

* * *

I was talking with Dick Walker about fishing and he said he caught some nice fish over at Lake Tahoe recently. He was teasing me and asked if he could enter them in the fish derby starting April 2. Of course the fish entered in the contest at Donner Lake have to be caught here so I am looking for Dick to walk off with the first prize for the largest fish caught in Donner Lake as he caught some beauties lsat year. Many prizes will be awarded on May 15, when the derby ends with a big free fish fry with derby sponsored by Donner Lake Resorts. When the season opens this Saturday, don't forget to weigh in your fish at McReynolds Sporting Goods or at Donner Lake Lodge.

* * *

I received a letter from Jean Mooney, treasurer of the Donner Lake Property Owners Association, Tuesday. Dues are payable now for the period from January 1 until December 31, 1960. She informed me that there are 300 members now in the association and they are all property owners at Donner Lake. After receipt of dues, the association will send each member validation stamps to place on the back of their member ship cards. In order to facilitaate the gatekeeper's checking duty, small decals will be issued to members to put on their boats. If any member owns a boat, send your new number that you obtained from the Department of Motor Vehicles to the association and you will be sent a decal. Be sure you do not send your old county number ,it is worthless now. Send new number to: Jean Mooney, 2547 Fourteenth Ave., San Francisco, California.

* * *

Many members of various service clubs are busy selecting candidates for the Miss Donner Lake contest which will be held in the new elementary school on April 30. An old fashioned box supper will start at 6:13 and the price of admission is free. Each lady should take a decorated box with food for two to be auctioned off. The affair is sponsored by the Ladies Auxiliary of the Donner Lake Volunteer Fire Department and all candidates entered in the contest will reign over activities for the coming year, especially the Donner Lake Regatta on July 10, 1960.

* * *

Dr. Robert Affeldt, president of the Donner Lake Volunteer Fire Department announced this week that in the very near future, all firemen in the department will be notified concerning drills. Also on the agenda will be a call to help finish the firehouse inside. Many things are being planned by the ambitious firemen and now that spring is here, work will get under way very soon.

* * *

The Ladies Auxiliary will have a board meeting on April 18 at the home of Mrs. Hank Slack. Members of the board will present as well as the officers but the meetings are open to any member of the auxiliary. On April 21, members will be served a delicious dinner at the Church of the Mountains and it will be prepared by the Women's Society Christian Service, starting promptly at 7:30.

Returns To Lake—

George W. Mortimer of Honolulu, who has spent some time in the islands, wrote that their address will again be Tahoe City.

They'll know who you are when they see your Bankamericard

So make yourself at home. You'll be as welcome as the Easter Bunny himself at thousands of stores all over California.

Easter shopping's a breeze with your Bankamericard. When you see the *right* dress, *right* hat, shoes or purse, you just walk in and say those three little words, "Charge it, please." Then when you receive your statement, you can pay for all of the month's Bankamericard purchases with just one check.

And it's nice to know too, that you can easily extend your Bankamericard payments over several months any time you wish, for a small service charge.

Why not apply for *your* Bankamericard soon—at a member store or any B of A branch.

DONNER SUMMIT NEWS

By DONNA I. POWER

SUMMIT SIT

The ladies of the Summit Sit held the second March meeting at the Big Bend home of Mrs. Zona Madden, Wednesday evening. Following an evening of pleasant conversation the ladies enjoyed the delicious gingerbread served by their hostess. The ladies present were Mrs. Dorothy Bacon, Mrs. Betty Aro, Mrs. Voleta Mason, Mrs. Francis Dragoo, Mrs. Nora Heckle, Mrs. Gloria Reed, Mrs. Joyce West, Donna Power and Faye Cole. Plans for Aprils first meeting are not yet complete.

RESIGNATION

Two teachers of the Donner Trail School have made a decision to leave their present position this coming June at the close of school. Neither has completed future plans.

DATE CHANGED

The Donner Summit Community Club has voted to postpone their forthcoming bingo party and fund raising gathering from April 22 until April 29.

WELCOME

Welcome back to Mr. and Mrs. Tom Heckle and their children Ronnie, Brad and Norie. The Heckles have returned to their Kingvale home at the Wofford Motel after a few months stay in Sacramento.

CENSUS

Forms have been circulated to residents of the Soda Springs area in an effort to help Mrs. Cannon count our heads. The counting will begin on April Fool's Day so have your forms filled out to make the counting go rapidly.

HAPPY BIRTHDAY

At her Pla-Vada home Karen Reed was honored by a party Thursday, March 24 to commemorate her 5th birthday. The group of young friends in attendance to celebrate the event were Linda Hampton, Karen Madden, Susie Aro, Dianne Mason, Noree Lynn Heckle and Robin Board.

WEATHER

The Central Sierra Snow Laboratory reports the weather from March 20 to March 28. The total snow fall was 273.2 inches for the season. The week's new snow fall is 12.0 inches. with 73.0 inches on the ground. March 24 the week's maximum temperature was reached at 61 degrees. The minimum temperature fell to 19 degrees on March 28.

CHURCH NOTES

COMMUNITY METHODIST CHURCH
Bear & Dollyvarden Streets
Kings Beach
Rev. Earl F. Langguth, Pastor
Phone LI 6-3890

Schedule of services:

9:45 a. m.—Christian Education classes for all ages.

11 a. m.—Morning Worship

This Sunday morning Rev. Langguth continues his series on "The Beatitudes of Our Lord" with "Mercy, Purity, and Peace." This is, of course, Communion Sunday.

7 p. m.—M. Y. F.

In Sunday School the Adult class is beginning a study of the Book of Revelation under the leadership of Rev. Langguth. If this book has been a problem to you, then you should be attending these classes. What does the book mean? Is it really a description of the coming time of the end? To what extent has the book been fulfilled? Should we expect it to be fulfilled? Why was this book admitted only reluctantly into the New Testament? Why has it been largely neglected by the churches, only to fall under increasing emphasis by the radical cults and sects? Come and share with us our efforts to answer these questions.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse. Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.

Overcoming of fatigue and weariness through entirely spiritual means will be a theme dealt with at Christian Science services this Sunday.

Scriptural readings in the Lesson-Sermon on "Unreality" will include the following from Isaiah (40:28, 29):

"Has thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding. He giveth power to the faint; and to them that have no might he increaseth strength."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (385:15-18): "Constant toil, deprivations, exposures, and all untoward conditions, if without sin, can be experienced without suffering. Whatever it is your duty to do, you can do without harm to yourself."

TRUCKEE BIBLE CHURCH
(Non denominational)
Rev. Roy S. Rhoades, Pastor
Sunday School, 9:45 a. m.
Morning worship 11 a. m.

Next Lord's Day will find the series on the Seven Sayings of Christ from the Cross continuing with the expression of "Anguish."

TAXPAYERS CHEAT SELVES, REPORT SAYS

SACRAMENTO — (CNS) — At a time when most California taxpayers are worrying how to come up with the money to pay state personal income taxes—due April 15—State Controller Alan Cranston comes up with the novel warning that thousands of taxpayers will cheat themselves by overpaying their taxes.

Cranston said sampling of returns filed so far have indicated six major mistakes which are costing taxpayers extra money. He urged Californians to double check their returns, thus sparing themselves inconvenience and the state the expense of refunding the overpayments.

The six most common mistakes listed by Cranston included:

1. Married couples filing joint returns are using the tax table for single persons.
2. Taxpayers are using last year's deduction of $400 for each dependent, rather than this year's increased deduction of $600.
3. Taxpayers fail to deduct the $600 for all dependents.
4. Taxpayers apply the regular rates to taxable income which has been computed for application of the optional tax table, thus depriving themselves of the advantage of the deduction for personal exemption and standard deduction which is incorporated in the optional tax table.
5. Taxpayers use the correct column in the table but select an amount of tax larger than the amount which appears after their taxable income.
6. Taxpayers make addition and subtraction errors which lead to overpayment.

The first ship built in America was constructed at Popham, Maine, in 1608, the "Virginia," 30 tons.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works, Building, Sacramento, California, until 2 o'clock p. m. on April 20, 1960, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on highway in accordance with the specifications, therefor, to which special reference is made, as follows:

Nevada County, Brockway Road between Placer County Line and 1.5 miles northerly, about one mile southeast of Truckee (III-Nev-1245) about 1.5 miles of two lane highway to be graded and surfaced with asphalt concrete on aggregate base over aggregate subbase.

Bids are required for the entire work described herein.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

BASIC RATE PER HOUR	CLASSIFICATION	EMPLOYER PAYMENTS FOR H & W	VACATION	PENSION
$3.18	Apprentice engineer (oiler fireman, heavy duty repairman helper)	10c phw(1)	8c phw	10c phw(1)

phw/p	per hour worked or paid	psthw/p	per straight time hour worked or paid
pd	per day	w	wage
pdw	per day worked	gw	gross wage
pdp	per day paid	tw	total wage
pdw/p	per day worked or paid	pmd	per man day

Any classification omitted herein not less than $2.865 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Emplover payments other than those itemized above, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the County Road Commissioner, Court House, Nevada City.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed and also prequalified as required by law.

The Department of Public Works reserves the right to reject any or all bids.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO—(CNS) — Several measures before the state legislature call for issuance of additional bonds to finance school construction through loans to districts which have bonded themselves to capacity, and from all indications, the people of the state will be called upon to approve another $300 million for this purpose.

Also, a plan is afoot to entrap the voters of the state by calling a special election for the bonds concurrent with June primaries, instead of waiting until the general election in November, as has been done in the past.

The plan would also place a $400 million issue for veterans farm and home loans on the special election agenda, bringing the total commitments to $900 million.

Reason for the rush is explained by promoters of the plan as a scheme to focus all attention in November on Governor Edmund G. Brown's water bond issue, which calls for $1,750,000,000 in bonds to construct the Feather River project and allied water conservation plans.

Thus, if the plans go through, the voters this year will be called upon to pass on $2,650,000,000 worth of future debt, which is nearly double the amount of bonds outstanding at the present time.

The special bond election in June, of course, would soften the blow to the taxpayers to some extent. At least, the people would not have to look at such big figures if the issues are divided between two elections. But in the long run, the costs would be the same.

The proposed $300 million school bond issue is the largest suggested since 1949, when the state started voting bond issues to help out the so-called "impoverished" school districts, to provide more classrooms for a growing population of school students.

Starting in 1949, the state has authorized $855 million dollars worth of school construction bonds. The $300 million suggested this year will bring the total to $1,155,000. Interest costs over the retirement period will, it is estimated, approximately double this total.

Some experts are beginning to look askance at the school bond program. One reason for this is the fact that the schools being constructed are idle approximately 25 per cent of the time. The investment thus is comparable to selling a billion dollars worth of stock and receiving only three-quarters of a billion dollars worth of use out of the plants constructed.

Putting the schools on a year-round basis would correct at least some of this loose financing program, which inevitably comes out of the pockets of the taxpayers.

However, it is not probable that those in control of education ever will concede the fact that the school plans should be used twelve months of the year. One method of forcing the issue, however, would be to defeat the school bonds, whether they come up in June or November, and thus serve notice on the educationists that the people are demanding a dollar's worth of use for the tax dollar.

Undoubtedly, this would be a stringent method of convincing the educationists, but nevertheless, effectvie.

POLLUTION PROBLEM STUDIED AT TAHOE

A committee of the joint California-Nevada Interstate Compact Commission has started work on a study of pollution problems at Lake Tahoe after a Nevada member of the commisison called this the most serious problem at the lake.

The joint group is studying water uses, with an eye toward a recommended agreement of usage of lake water between the two states.

At its most recent meeting, in Sacramento, the commission received a letter from W. W. White, division of public health engineering for Nevada. White proposed allocations of water by the commission would be too great, if returned to the lake in sewage or disposed of by land sewage disposal means.

"May I impress upon your commission that not even 5 million gallons of water per day can be diverted, used for domestic purposes and become sewage, and be disposed of within the Tahoe Basin on the south side," White's letter said. "The volume you are considering is not 5 million gallons per day, in the allocations proposed, it is closer to a minimum of 10 million gallons per day and an average of 50 or 60 million gallons per day."

White proposed that regulations of the commission be changed to provide no water could be allocated without approval of the respective state agency having jurisdiction. Under his proposal, a condition of approval of water diversion would be a plan for water use based on maximum conservation of water and including final water disposition without deletrious effects on waters of the Tahoe Basin, causing nuisance, or having harmful effects on health of animals or people.

George Devore, commission member from Reno, said he thought the sewage disposal problem is "probably the most serious problem that's before this commission."

BE CAREFUL WITH FIRE

Texas has enjoyed the distinction of being the leading cattle producing state for the past century.

Largest peat production in California in 1958 was the San Joaquin River delta region in Contra Costa County.

Local Skiers Win In Weekend Meet

The California Nevada Interscholastic Ski Federation Boys 4-Way Championship meet, held at Heavenly Valley last Friday and Saturday, proved Tahoe-Truckee High School team the winner, and provided an exciting contest with a number of upsets.

The cross-country meet was held at Luther Pass, Friday morning. Jim Heuga, of Truckee, was the first place individual winner, and the Truckee High team won first place. The TnT lineup: Nicky Stone, a 3rd place individual winner; Bob Kettenhofen, a 5th; Trent Gianinni, a 7th; Randy Schultz, a 10th; and Doug Ball, an 11th place holder.

The team standings of the five competing schools in the cross-country were: Truckee, 100 per cent; South Tahoe, 96.67 per cent; Manogue, 79.83 per cent; El Dorado, incomplete; and Leevining, 65.10 per cent.

The giant slalom, held at Heavenly Valley Friday afternoon, was another victory for Eugene Goodrich's Wolverines. In individual times, Jim Heuga was first with 54; Wayne Poulsen, 5th with 61; Bill Conners, 10th with 64; Trent Gianinni, 13th with 65.4; and Doug Ball 14th with 67.8.

In the team standings for the giant slalom, Truckee was first with 100 per cent; South Tahoe had 99.59, Leevining, 90.20, Manogue, 87.30 and El Dorado, 84.53.

Friday night was cold, and Saturday dawned bright and clear with a hard, slick slope for the slalom.

In the first run, Bill Conners was disqualified because his foot backed out of a gate. This meant that the Wolverines had to make all of their remaining four runs good, or be disqualified as a team.

In this tense situation, Bob Forrester made the crucial run successfully.

In the slalom, TnT had four men in the first five finishes: Jim Heuga with a 58.0; Wayne Poulsen with a 71.4; Trent Gianinni with a 74.6; and Bob Forrester with a 76.8. This gave Truckee a gain of 15 points against South Tahoe.

The team rankings for the slalom were: Truckee, 300 points; South Tahoe, 248.71; Leevining, 3rd; Manogue, 4th; and El Dorado, 5th.

In the jumping, Truckee had to make a last minute substitution so the team was not up to its potential strength, and lost to South Tahoe by 1.14 points.

The team standings for the jumping were: South Tahoe, first; Truckee, second; Leevining, third; Manogue, fourth; and El Dorado had no team, as they are just rebuilding their ski program.

The final team standings for the Four-Way Meet were: Tahoe Truckee, 398.86; South Tahoe, 384.71; Leevining, 335.21; Manogue, 303.16; and El Dorado, 120.13 points.

A second trophy, the Alpine championship, which includes the slalom and giant slalom, was awarded to Truckee who had a perfect score of 200 points.

The Nordic Team championship trophy was won by South Tahoe, with a score of 199.67, to nose out Truckee by .81 points. This trophy includes the cross country race and the jumping.

The Skimeister Award, given to the boy with the best combined score in all four events, was won by Jim Heuga, of Tahoe Truckee. Jim had three first places and one 6th place.

DOG BITES

Area Sanitarian Richard Walker reports that two people were bitten by dogs Tuesday. They were Mrs. Oscar Schumacher and Billy Fordham, son of Mr. and Mrs. William Fordham. All dog bites should be reported to the sanitarian.

Livestock and livestock products constitute one of the most important segments of agriculture.

San Francisco's boundaries include 44.82 square miles of land and a large submerged area, making a total of 93.1 square miles.

FRANK PAOLI WILL ASK FOR REELECTION

COLFAX — Frank J. Paoli, of Colfax, 51, completing his third term of the board of supervisors, this week filed his nominating papers for re-election. Paoli, in the insurance business stated:

"Placer County, as one of the fastest growing counties in California, has all the problems accompanying growth. During the next four years, the 4th District, stretching from Meadow Vista to the Nevada State line, needs an experienced, hard-hitting supervisor

to meet these problems. My record will show that I am qualified, and that I have always worked diligently to carry out the wishes of the majority of the voters at all times."

Paoli is currently secretary to the Placer County Water Agency, a member of the several committees of the County Supervisors Association and has been chairman of the board of directors of Weimar Chest Center for the past four years and a member of that board for ten years.

He is active in veterans' organizations, service clubs, the Grange and several chambers of commerce.

CIVIL SUIT RESULTS FROM HOME FIGHT

AUBURN—A $7,500 civil action based on an alleged beating inflicted in the home of Judicial District Judge Harry Charrison of Kings Beach was filed by Ivan Wilson against Malcolm Courtney.

Wilson said he suffered a broken nose and five broken teeth in the altercation. He contends the assaualt by Courtney was unprovoked.

Wilson's attorney, Franklin Tuttle of Auburn, said the altercation occurred in the judge's home while the plaintiff and defendant were attempting to settle differences to avoid a judicial district court trial.

CARD OF THANKS

For the many acts and words of kindness extended us after a fire destroyed our home, we take this means of expressing our sincere thanks to our many friends.

MRS. IONE FISHER and BOYS

CHAIRMEN SELECTED FOR LAKE VFW MEET

KINGS BEACH — The regular meeting of the Ladies Auxiliary to V. F. W. Post No. 7077 was held March 24 at the Crystal Bay Club. Pearl Martin, senior vice president presided.

A report on the progress being made for the Department of Nevada 26th annual convention at which Lake Post No. 7077 and their Auxiliary will host on June 9, 10, and 11 was made by Pearl Moore, Department of Nevada convention chairman.

The following chairmen were appointed with further appointments to be made at the next meeting: housing, Chairman Mae Murray; registration of delegates, B. Snell, Ethel Antonson, Louise Walters, Pearl Francis, Bernadine Spavor, Vera Woods, Pearl Martin; decorating, Lolita Decker, B. Snell, Barbara Bergman. Mrs. Moore explained that each member of the Auxiliary will be asked to participate in some way during the convention.

Work on the favors needed for the three days activities will begin at the next social meeting scheduled for April 28, time and place to be announced later.

Tentative programs for the post and auxiliary were outlined the early part of March by the Department of Nevada officers and their representatives.

Those attending the special meeting were: Department Commander Les Frye, Claude Shipley, Hugh Rossolo, Joseph Feldstein, Sam McDowell, Glen Thorne, Velma Winn, Virginia Giannatti, Ida Henderson, and Post No. 7077 and Auxiliary members Bob Molsberry, Bill Dugan, Bill Elliott, Charles Rich, Pearl Moore and Mae Murray.

HOCKEY GAMES WILL BE PLAYED AT SQUAW

So enthusiastic is the Greyhound bus lines over the CYO sponsored professional hockey games in Squaw Valley's Blyth Arena on Saturday and Sunday, April 2 and 3 that they are offering special rates from San Francisco, Sacramento and Reno as well as acting as ticket agents for the hockey matches.

Round trip fares which include tax are $9.90 from San Francisco, $5.44 from Sacramento and $4.40 from Reno. This is considerably lower than the prices charged by Greyhound from these cities during the Olympic Winter Games which were held in Squaw Valley during February.

Ticket reservations for the two day series which pits the Winnipeg Warriors against the Calgary Stampeders of the Western Hockey League, can also be made through any of the Greyhound ticket agencies.

The Catholic Youth Organization of Reno, Sparks and Carson City is sponsoring the two top Canadian hockey teams with the proceeds to go toward the CYO school fund.

A Boy For Weiss—

A son was born March 25 at Reno, Nevada to Mr. and Mrs. Edward Weiss of Crystal Bay, Nevada.

VEHICLES MUST HAVE REQUIRED STICKERS

SACRAMENTO—(CNS) — California motorists who are caught on the highways after March 29 without the 1960 sticker on their rear license plates will be subject to fine.

Robert McCarthy, director of motor vehicles, said the grace period for 1960 vehicle registration ended March 28 and all law enforcement officers throughout the state have been notified to start issuing citations.

In addition, McCarthy reminded motorists all vehicles except trailers and motorcycles must have plates on both the front and rear, even thought the sticker is only displayed on the rear plate. Both plates must be legible at all times and operation of an automobile with mutiliated plates is cause for arrest and fine.

"Many owners, particularly owners of sports cars, often are found to have mutilated or illegible plates on their machines," McCarthy said. "Owners of vehicles with such mutilated or unreadable plates must make application to the department of motor vehicles for duplicate plates, for which there is a nominal fee."

Mr. and Mrs. H. J. Ciardella, Jr., are living at Reno, the former having been transferred from Ely, Nevada.

Tarzan

by EDGAR RICE BURROUGHS

MORE IMPORTANT TO TARZAN THAN FLEEING THE POMPUS SAFARI IS THE HOAX FILM OF THE FAKED 'CANNIBAL ATTACK' HE WANTS TO DESTROY.

'GET ME THAT FAKE CANNIBAL-ATTACK FILM YOUR CAMERAMEN TOOK!' TARZAN DEMANDS OF NICK, THE TRAPPER, AS ACCIDENTALLY WOUNDED POMPUS IS TAKEN TO HIS SAFARI TRAILER.

WE GO *NOW*, TARZAN! WE GO *QUICK!*

NO, HUMO! I'VE SOMETHING *BAD* TO DESTROY, FIRST!

4-3-1517

I'LL HAVE A *ROW* WITH POMPUS FOR GIVING YOU HIS FILM... IF HE LIVES! BUT, WHOEVER YOU ARE, TARZAN, I THINK I LIKE YOU!

ITO! BRING ME A FIRE STICK... FROM THEIR CAMPFIRE!

I BETTER GO SEE ABOUT POMPUS!

STAND AWAY, HUMO! THOSE PLASTIC SKULLS AND FILM WILL MAKE BIG FIRE!

OGU! YOU'RE TOO NEAR! STAND BACK, WITH HUMO!

THERE! THAT DOES IT!

WOW, TARZAN! WHAT AN EXPLOSION! LET'S BURN THEIR SAFARI... FOR WHAT THEY DID TO US!

WHAT'S *THAT* YOU'RE BURNING?

THE DISHONEST FILM YOUR CAMERAMEN TOOK - OF POMPUS' FAKE CANNIBAL-ATTACK SCENE! IT'S A *LIE*... AGAINST *AFRICA!*
